Dear Vendor:

Thank you for your recent request to be placed on the vendor list for the Consolidated Government of Columbus, Georgia.

Attached to this letter is the following: (1) A Vendor Information Form, and (2) A Commodity Class Code Listing. It is very important you complete the Vendor Information Form and utilize the Commodity listing to identify (by "checking" or "highlighting") the appropriate commodity codes (goods or services) which your company provides. Accurate identification of goods and services ensures vendors receive Bid/Price Quote Solicitations and Request for Proposal invitations. If you do not see your particular good or service represented on the Commodity listing, please write the goods/services you provide.

Reminder: This is an initial step in identifying your goods and services. Think in broad terms when looking for your good or service on the commodity listing. For example, if you provide janitorial services, it will be associated with the class code description for "Building maintenance and repair services."

THIS IS THE FIRST STEP. Once we receive the completed vendor form and the commodity class code listing, a follow-up mailing will be sent which will require you to "fine tune" the good and services identified.

Please complete and return the enclosed forms, as soon as possible. The sooner you complete this first step, the sooner we can send you the follow-up information and place your firm on the vendor list.

If you have any questions please call, (706) 653-4105 or Fax (706) 653-4109.

Sincerely,

Andrea J. McCorvey
