Summer 2017

Private or Semi-Private Swim Lesson Information

There is no better aquatic learning opportunity than private and small-group private instruction. Private swim instructions provides less obstruction in your leaning environment, allow individuals to have one-on-one training in the pool with a qualified instructor, provides you the opportunity to learn at your own pace and enables you to fit the lesson(s) into your own schedule.

Lesson Location

All private and semi-private swim lesson classes will be held indoor at the Columbus Aquatic Center, 1603 Midtown Drive, Columbus, GA 31906.

Private Lessons/Semi-Private - \$25/1st person each additional \$15/each

30-45 minute sessions for adults and children 12-17 years of age. Private lessons are offered to work on specific individual needs and can be customized for a variety of skills levels. This type of lesson can be very helpful for children who are easily distracted in larger group lessons or have specialized needs. Adults needing individualized training plans for fitness goals, or even triathlons, may find this instruction useful. Staff will work with you to schedule lessons at times that are convenient for the participant(s). The majority of private lessons are 45 minutes in length, but very young children may benefit from shorter lessons to keep attention and prevent them from becoming tired. Semi-Private lessons are available for groups of 2-4 individuals.
