MEDIA RELEASE

April 17, 2017

Georgia 6th Annual Legal Food Frenzy April 17th – April 28th

This year the Columbus Consolidated Government (CCG) is participating in the 6th Annual Legal Food Frenzy. The Georgia Legal Food Frenzy is a donation competition among legal and governmental organizations, led by Georgia Attorney General, Chris Carr. All proceeds of the Food Frenzy benefit the Georgia Food Bank Association's eight regional Feeding America Food Banks.

CCG invites all competitors to register their organizations for this event at www.galegalfoodfrenzy.org and invites all citizens to participate in this event by donating non-perishable food items or monetary contributions at the available locations listed below. CCG is competing with other cities and regions around Georgia.

We encourage community members to get involved with this effort by doing so, the real winners will be the families in need who will benefit from the donations. Together we can help end hunger right here at home. We thank you all so much for your participation and support.
