GENERAL PROVISIONS

The provisions of the Procurement Ordinance for the Consolidated Government of Columbus, Georgia as adopted and amended by Council shall apply to all invitations for bids and award of all contracts and is specifically incorporated herein by this reference. A copy of the ordinance is on file in the Purchasing Division.

1. TERM "CITY". The term "City" as used throughout these documents will mean Consolidated Government of Columbus, Georgia.

2. PREPARATION OF FORM. Bid proposals shall be submitted on the forms provided by the City. All figures must be written in ink or typewritten. Figures written in pencil or erasures are not acceptable. However, mistakes may be crossed out, corrections inserted adjacent thereto, initialed in ink by the person signing the proposal. If there are discrepancies between unit prices quoted and extensions, the unit price will prevail. Failure to properly sign forms, in ink, will render bid incomplete.

3. EXECUTION OF THE BID PROPOSAL. Execution of the bid proposal will indicate the bidder is familiar and in compliance with all local laws, regulations, ordinances, site inspections, licenses, dray tags, etc.

4. BID DUE DATE. The bid submission must arrive in the Purchasing Division on or before the stated due date and time. Upon receipt, bids will be time and date stamped. Bids will remain sealed and secured until the stated due date and time for the bid opening.

5. BID OPENING. Bids shall be opened publicly in the presence of one or more witnesses at the time and place stated in the public notice. The amount of each bid, the bidder's name and such other relevant information as the Purchasing Manager deems appropriate shall be recorded and retained in accordance with Georgia law. The record and each bid shall be open to the public in accordance with Article 3. 301A of the Procurement Ordinance (Public Access to Procurement Information).

6. LATE BIDS. It is the responsibility of the bidder to ensure bids are submitted by the specified due date and time. Bids received after the stated date and time will be returned, unopened, to the bidder. The official clock to determine the date and time will be the time/date stamp located in the Finance Department. All bids received will be time and date stamped by the official clock. The City will not be held responsible for the late delivery of bids due to the U.S. Mail Service, or any other courier service.

7. RECEIPT OF ONE SEALED BID. In the event only one sealed bid is received, no formal bid opening shall take place. First, the Purchasing Division shall conduct a survey of vendors to inquire of "no bid" responses and non-responsive vendors. If, from the survey, it is determined by the Purchasing Division that specifications need revision, the one bid received will be returned, unopened, to the responding vendor, with a letter of explanation and a new bid solicitation prepared. If it is determined that other vendors need to be contacted, the bid due date will be extended, and the one bid received will remain sealed until the new bid opening date. The vendor submitting the single bid will receive a letter of explanation.

If it is determined the one bid received is from the only responsive, responsible bidder, then the bid shall be opened by the Purchasing Division Manager or designee, in the presence of at least one other witness. The single bid will be evaluated by the using agency for award recommendation.

8. RECEIPT OF TIE BIDS. In the event multiple responsive, responsible bidders are tied for the lowest price and all other terms and requirements are met by all tied bidders, the award recommendation shall be resolved in the order of the preferences listed below:

1. Award to the local bidder whose principal place of business is located in Columbus, Georgia.
2. Award to bidder previously awarded based on favorable prior experience.
3. Award to bidder whose principal place of business is located in the State of Georgia.
4. If feasible, divide the award equally among the bidders.
5. If it is not feasible to award equally and only two bidders are tied, perform a coin toss in the presence of the two bidders, either in person or virtually.
6. *If the above preferences are insufficient to resolve the tie, all bid responses will be rejected and the bid will be re-advertised.*

9. RECEIPT OF MULTIPLE BIDS. Unless otherwise stated in the bid specifications, the City will accept one and only one

bid per vendor. Any unsolicited multiple bid(s) will not be considered. If prior to the bid opening, more than one bid is received from the same vendor, the following will occur: (1) the bidder will be contacted and required to submit written acknowledgment of the bid to be considered; (2) the additional bid(s) will be returned to the bidder unopened. If at the bid opening more than one bid is enclosed in a single bid package, the City will consider the vendor non-responsive and bids will be returned to the bidder.

10. CONDITIONS AND PACKAGING. Unless otherwise defined in the bid specifications, it is understood and agreed that any item offered or furnished shall be new, in current production and in first class condition, that all containers shall be new and suitable for storage or shipment, and that prices include standard commercial packaging.

10. FREIGHT/SHIPPING/HANDLING CHARGES. All freight, shipping, and handling charges shall be included in the bid price. The City will pay no additional charges.

12. CORRECTION OR WITHDRAWAL OF BIDS; CANCELLATION OF AWARDS

Correction or withdrawal of inadvertently erroneous bids before bid opening, or cancellation of awards or contracts based on such bid mistakes, may be permitted where appropriate. Mistakes discovered before bid opening may be modified or withdrawn by written notice received in the Purchasing Division.

After bid opening, corrections in bids shall be permitted only to the extent that the bidder can show by clear and convincing evidence that a mistake of a nonjudgmental character was made, the nature of the mistake and the bid price actually intended. After bid opening, no changes in bid prices or other provisions of bids prejudicial to the interest of the City or fair competition shall be permitted. In lieu of bid correction, a low bidder alleging a material mistake of fact may be permitted to withdraw its bid if the mistake is clearly evident on the face of the bid document but the intended correct bid is not similarly evident, or if the bidder submits evidence which clearly and convincingly demonstrate that a mistake was made.

All decisions to permit correction or withdrawal of bids or to cancel awards of contracts based on bid mistakes will be supported by the Purchasing Manager's written determination.

13. ADDENDA AND INTERPRETATIONS. If it becomes necessary to revise any part of this bid, a written addendum will be provided to all bidders. The City is not bound by any oral representations, clarifications, or changes made to the written specifications by City employees, unless such clarification or change is provided to the bidders in written addendum form from the Purchasing Officer. Bidders will be required to acknowledge receipt of the addenda (if applicable) in their sealed bid proposal. The vendor may provide an initialed copy of each addendum or initial the appropriate area on the bid form (pricing page). Failure to acknowledge receipt of the addenda (when applicable) will render bid incomplete. **It is the bidder's responsibility to ensure that they have received all addenda.**

14. BID RECEIPT AND EVALUATION. Bids shall be unconditionally received without alteration or correction except as authorized in the City's Procurement Ordinance. Bids shall be evaluated based on requirements set forth in the Invitation for Bid, which may include criteria to determine acceptability such as inspection, testing, quality, workmanship, delivery, and suitability for a particular purpose. Those criteria that will affect the bid price and be considered in evaluation for award shall be objectively measurable, such as discounts, transportation cost, and total or life-cycle costs. The specifications presented in the Invitation for Bids shall represent the evaluation criteria. No other criteria may be used to evaluate bids.

15. TIME FOR CONSIDERATION. Bids must remain in effect for at least ninety (90) days after date of receipt to allow for evaluation.

16. BID SECURITY

(1) Requirement for Bid Security. Bid security shall be required for all competitive sealed bids for construction contracts when the price is estimated by the Purchasing Manager to exceed \$50,000. Bid security shall be a bond provided by a surety company authorized to do business in the State, or other form satisfactory to the City. Such bonds may also be required on construction contracts under \$50,000 or other procurement contracts when circumstances warrant.

(2) Amount of Bid Security. Bid security shall be in an amount equal to at least five percent (5%) of the bid amount.

(3) Rejection of Bids for Noncompliance with Bid Security Requirements. When the invitation for Bids requires security, noncompliance with such requirement shall force rejection of a bid.

(4) Withdrawal of Bids. If a bidder is permitted to withdraw its bid before award as provided in Section 3-108 Subsection (G) (Competitive Sealed Bidding – Correction or Withdrawal of Bids: Cancellation of Awards), no action shall be had against the bidder or the bid security.

At the discretion of the Purchasing Manager, this same condition may be placed on awards of any amount.

(2) Authority to Require Additional Bonds. Nothing in this Section shall be construed to limit the authority of the City to require a performance bond or other security in addition to the bonds, in circumstances other than the circumstances described in Subsection (1) above.

GENERAL SPECIFICATIONS
ELECTRICAL FIXTURES, PARTS AND SUPPLIES
(Annual Contract)
RFB No. 27-0012

I. SCOPE:

These specifications describe the minimum requirements to provide various Electrical Fixtures, Parts and Supplies to be purchased on an “as needed” basis by Columbus Consolidated Government (The City). The quantities of items specified herein are based upon the best information obtainable and represent an estimated usage required for a one (1) year period. The City reserves the right to add related items to the contract. Vendors must provide discount percentage for items not listed on this bid.

The City does not guarantee the purchase of any specific volume. Volume may vary depending upon maintenance requirements and/or budgetary restrictions. The City may purchase some, all, none or more of the items listed in these specifications, including those that are available but not normally stocked, or are temporarily out of stock. City employees will need to make walk-in purchases as needed. These individuals will be utilizing City vehicles and may also be accompanied by inmate labor. Neither the City vehicle nor the inmates can leave Muscogee County. Consequently, **the successful bidder(s) shall have a business located with Muscogee County, Georgia, and provide personnel on-site to accommodate walk-in purchases.**

See additional Vendor Requirements on Page 16 of these specifications.

II. TERM OF CONTRACT:

A. The term of the contract shall be for two (2) years, with the option to renew for three (3) additional twelve-month periods. Contract renewal will be contingent upon the mutual agreement of the City and the Contractor.

Notice of intent to renew will be given to the Contractor in writing by the City Purchasing Division Director, normally sixty days before the expiration date of the current contract. This notice shall not be deemed to commit the City to a contract renewal.

It should be noted that multi-year contracts may be continued each fiscal year only after funding appropriations and programs approval have been granted by the Council of the Consolidated Government of Columbus, Georgia. In the event the necessary funding is not approved, the affected multi-year contract becomes null and void, effective July 1st of the fiscal year for which such approval has been denied.

B. Termination for Convenience

For the protection of both parties, either party giving 30 days prior notice in writing to the other party may cancel this contract.

III. ESCALATION CLAUSE:

Contract pricing shall remain fixed for the initial two (2) year term of the contract. After the initial term, Contractor may request a price escalation by submitting a fully documented request (i.e. documentation from manufacturers illustrating the necessity to implement price increases). ***Request for price increases, without documentation, shall not be considered.*** Such escalation shall not exceed a five percent (5%)

increase. The using department(s) and the Purchasing Manager will review the request and shall approve or disapprove the increases based on budget constraints and other price comparisons.

If for any reason the contractor has a price increase that exceeds five percent (5%), the price increase will be evaluated on a case-by-case basis. The City and the Contractor will have the option to discuss and make adjustments to the requested increase. If either party declines approval of the adjustments, the contract will be considered cancelled on the scheduled expiration date of the contract.

IV. BRAND NAMES:

It is not the intent of Columbus Consolidated Government (City) to restrict competition in any purchasing process. Reference to a particular trade name, brand name, manufacturer, catalog or model number are made for descriptive purposes to guide the bidder in interpreting the requirements of the City. They should not be construed as nor are they intended to exclude proposals on other materials and supplies. However, there are certain facilities owned by the City of Columbus that require a particular brand name product to be compatible with the existing equipment. Therefore, should the successful bidder not be able to supply the required product, the City of Columbus reserves the right to purchase from another vendor. Any proposal that is equivalent to or surpasses stated specifications would be considered. Determination of equivalency shall rest solely with the City. ***NOTE: Specific manufacturers may be required to accommodate compatibility with existing equipment. Therefore, it is requested that bid responses be submitted in accordance with the specifications provided.***

Any manufacturers' names, trade names, brand names, information and/or catalog numbers used herein are for descriptive purposes and establishment of general quality levels. Such references are not intended to be restrictive, however, there are certain items owned by the City that require a particular brand product to be compatible with the existing equipment. **Equivalent products of any manufacturer may be offered; determination of equivalency shall rest solely with the City.**

WARRANTIES/GUARANTEES: Any warranties or guarantees normally offered on these goods will be applicable to this contract.

V. QUESTIONS / ADDENDA:

Questions and requests for clarification must be submitted **within five (5) business days of the due date** (see pages 9 & 10). Changes to the specifications (if any) will be provided in the form of an addendum, which will be posted on the web page of the Finance Department/Purchasing Division of Columbus Consolidated Government at <https://columbusga.gov/finance/bid-opportunities>.

It is the vendors' responsibility to periodically visit the web page for addenda before the due date and prior to submitting a quote.

VI. INDEMNIFICATION:

The Contractor covenants to save, defend, hold harmless, and indemnify the City, and all of its officers, departments, agencies, agents, and employees (collectively the "City") from and against any and all claims, losses, damages, injuries, fines, penalties, costs (including court costs and attorney's fees), charges, liability, or exposure, however caused, resulting from, arising out of, or in any way connected with the Contractor's intentional, negligent, or grossly negligent acts or omissions in performance or nonperformance of its work called for by the Contract Documents.

VII. INSURANCE REQUIREMENTS:

The vendors shall be required, at their own expense, to furnish to the City of Columbus Purchasing Division, evidence showing the insurance coverage to be in force throughout the term of the contract.

Insurance requirements are listed on the attached **Insurance Checklist**. **The limits shown are minimum limits. Vendor shall indicate the actual limit they will provide for each insurance requirement. The bidder shall complete the Insurance Checklist and include with bid response. Certificate of Insurance is acceptable.** The

Insurance Checklist will indicate to the City, the bidder's ability and agreement to provide the required insurance, in the event of contract award.

The successful candidate shall provide the required Certificates of Insurance within **10 business days** after award notification. **The Certificates of Insurance will name Columbus Consolidated Government as an additional insured, as well as list the applicable project or annual contract name, and/or solicitation name and number.** The Certificate of Insurance will be included with the contract documents prior to signing.
